We provide persons being released from incarceration with essential tools to successfully reintegrate into our community as productive contributing members of society.

## STAR Finances General Overview for 2016

2016 Income: \$428,341

2016 Expenses: \$409,740

In December 2016, STAR secured a grant from the County of Walla Walla to be used towards incorporating substance use disorder support services for STAR clients. These dollars will be used in STAR's Case Management program.

See reverse for in-depth program reports

# 2016 STAR Program Statistics

## TRANSITION SPECIALIST:

The WSP transition program was volunteer-run until March 2014, when STAR hired **Kathy Farrell Guizar** into the position. In 2016, Kathy:

- Served: 250+ clients
- 35 clients applied to school
- 58 FAFSAs completed

Kathy primarily focuses on education planning and coordinating with colleges and universities from all over the state to facilitate the transition from inmate to student.

As a member of the Community Partnership for Transitional Services, Kathy also advocates for reentry services at the state level.

## HOUSING COORDINATOR:

**Joe Field** has been STAR's Housing Coordinator since August of 2014. During 2016, he provided:

- Direct housing: 59 clients
- In-house group classes (R2R): 5 clients

In addition to working directly with clients, Joe continues to focus on building relationships between STAR and the landlord community. He teaches an in-house Ready to Rent course, regularly attends community safety meetings, and provides educational materials to area landlords.

Joe will be transitioning to the position of Special Populations Program Manager in 2017.

## EMPLOYMENT SPECIALIST:

STAR's Employment program began in August of 2014 with the hire of **Lenel Parish**. In 2016, Lenel:

- Served: 46 clients
- 13 clients secured interviews
- 17 accepted positions
- 4 temporary positions

Lenel teaches Employment Readiness courses to STAR clients, assists in resume development and job searches, places people through on-the-job-training, and pursues employment outreach to businesses.

Lenel's employment with STAR is possible through a financial and staffing partnership with the Blue Mountain Action Council.

## CASE MANAGER:

**Jackie Scholl** joined the STAR team in September of 2016. Case management numbers combine Jackie's contributions along with her predecessor for our 2016 totals:

- Served through intake appointments: 104 clients
- In-house group classes (MRT): 17 clients

Services provided include: education referral and planning, health care service enrollment, state ID restoration, benefits enrollment, in-house Moral Reconciliation Therapy classes, and community services referrals.

In 2017, Jackie will be adding substance use disorder support groups into the STAR service menu.
